

INTRODUCTION

Education is a process of growing up and development of one's faculties. It is the shaping up the individual's personality through physical, emotional, intellectual and spiritual development. The purpose of Education is to teach students their duties towards countrymen, community society and country at large.

Sri Guru Harkrishan Model School is a minority (Sikh) Educational Institution covered under Article (30) of the Constitution of India. It aims to achieve its objective and provide its students a vast and matchless range of various activities.

ACADEMICS

The School curriculum upto 8th class is based on the recommendation of NCERT & Directorate of Education, Delhi. The medium of instructions is English.

The syllabus and the course of studies offered to class IX and X are as per CBSE guidelines.

OUR VISION OF EDUCATION

The Institute from the beginning has developed a profound consciousness that education prepares the youth for his/her future career and thus develops a well balanced personality for the good of the society and for the promotion of a better world where love, fellowship and service prevails. In other words we try our best that they would become agents of change for a just society. We make constant and careful endeavour to:
