SUBJECT-ART

ABCD BOOK BY MILLENIUM

Important Considerations:

- Flexibility: This syllabus should be considered a guide. Teachers can adjust the pace and activities based on the students' needs and abilities.
- Integration: Connect art activities with other subjects like science (nature patterns), social studies (festivals, monuments), and language arts (emoticons, typography).

Assessment: Incorporate various assessment methods, including observation, participation,

Project work, and self-reflection.

- **Materials:** Ensure access to a variety of art materials like colored pencils, crayons, paints, paper, scissors, glue, etc.
- **Creativity:** Encourage students to express their own ideas and interpretations in their artwork.

Class 4 syllabus with specific tasks and examples for each topic

Class 4 Syllabus – Art & Design

Term 1

1. Patterns in Nature

- **Task:** Observe and draw patterns found in plants and animals in a local park or garden in Delhi.
- **Examples:**
- Draw the veins of a peepal leaf (common in Delhi).
- Create a pattern based on the scales of a fish from the Yamuna River.
- Draw the repeating pattern on the wings of a butterfly seen in Lodhi Gardens.

2. Patterns on Fabric

- **Task:** Collect different fabric scraps or observe clothing with various patterns. Create a design inspired by one of them.
- **Examples:**
- Draw a design inspired by the floral patterns on a Rajasthani lehenga.
- Create a repeating pattern based on the geometric designs of a handloom shawl.
- Design a border pattern inspired by the motifs on a printed cotton kurta.

3. Borders and Corners

- **Task:** Design decorative borders and corner motifs using geometric shapes and patterns.
- **Examples:**
- Create a border for a drawing using repeating triangles and circles.
- Design a corner motif for a greeting card using traditional Indian paisley designs.
- Make a border for a page using patterns inspired by the arches of Qutub Minar.

4. Primary and Secondary Colors

- **Task:** Mix primary colors (red, yellow, blue) to create secondary colors (orange, green, purple). Paint a picture using only these six colors.
- **Examples:**
- Paint a sunset over the Yamuna River using shades of orange and purple.
- Create a still life of fruits and vegetables using only primary and secondary colors.
- Paint a picture of a peacock using the vibrant secondary colors.

5. Fun with Secondary Colors

- Task: Create artwork using only secondary colors.
- Examples:
- Paint a landscape of Delhi during monsoon season using shades of green and purple.
- Design an abstract pattern using only orange, green, and purple.
- Create a collage of paper cutouts in secondary colors.

6. Tints, Tones, and Shades

- Task: Explore how to lighten and darken colors using white, black, and grey. Paint a picture using different tints, tones, and shades of a single color.
- Examples:
- Paint a series of lotus flowers in different shades of pink.
- Create a landscape of the Red Fort using different tones of brown and grey.
- Paint a still life of a metal object using different shades of grey.

7. Let's Take a Break (Collage)

- Task: Create a collage using various materials (paper, fabric, leaves, etc.) to depict a scene from Delhi life.
- Examples:
- Make a collage of a busy market scene in Chandni Chowk.
- Create a collage of a park in Delhi with children playing.
- Design a collage depicting the historical monuments of Delhi.

8. Pencil Shading

- Task: Practice different pencil shading techniques (hatching, cross-hatching, blending) to create depth and form.
- Examples:
- Draw a sphere and shade it to make it look three-dimensional.
- Draw a simple still life of a fruit and shade it to show its texture.
- Draw a portrait of a face and shade it to create highlights and shadows.

9. Sketchpen Rendering

- Task: Explore the use of sketch pens for line work and rendering.
- Examples:
- Draw a detailed sketch of a building in Connaught Place using sketch pens.
- Create a line drawing of a tree in a park using different line thicknesses.
- Draw a portrait using cross-hatching and stippling techniques with sketch pens.

10. Composition (Independence Day) – Step by Step Tutorial

- Task: Follow a step-by-step tutorial to create a composition related to Independence Day.

Examples:

- Draw the Red Fort with the Indian flag flying high.
- Create a scene of children participating in a flag hoisting ceremony.
- Design a poster with patriotic symbols and slogans.

11.Composition (Season – Rainy) – Step by Step Tutorial

- Task: Follow a step-by-step tutorial to depict the rainy season in Delhi.
- Examples:
- Draw children playing in puddles during the monsoon.
- Paint a scene of rain falling on the Yamuna River.
- Create a collage of a rainy day in Delhi with umbrellas and raincoats.

12.Let's Take a Break (Origami Panda)

- Task: Learn to make an origami panda.
- Example: Follow a step-by-step guide to fold paper into a panda shape.

Term 2

13.Fun with Complementary Colors

- Task: Understand and use complementary colors (colors opposite each other on the color wheel) to create vibrant artwork.
- Examples:
- Paint a sunset using orange and blue.
- Create a still life of flowers using red and green.
- Design an abstract pattern using yellow and purple.

14.Color Combination

- Task: Explore different color combinations and their effects.
- Examples:
- Create a color wheel and experiment with different color harmonies.
- Paint a picture using warm colors (red, orange, yellow).
- Paint a picture using cool colors (blue, green, purple).

15.Figure Drawing (Animals)

- Task: Learn to draw basic animal figures.
